MRS. MATHEWS ENTERTAINS THE DAUGHTERS

Friday afternoon was the regular time for the meeting of the Daughters of the Confederacy and Mrs. Charles Mathews was the hostess. About twenty members were present.

The regular business was transacted and a number of things came up for discussion. The report of the recent trades carnival, given by Mrs. Hollibaugh, under the auspices of the Daughters, was received. The Dickinson Chapter received as their share from this entertainment \$65 and a few cents, which is now in the treasury. Everyone was delighted with the success of the entertainment.

A letter was read from the Marietta Marble Works, stating that the Confederate monument for Ocala would be shipped the last of this month. The monument will be unveiled on Saturday, April the twenty-fifth, and elaborate preparations will be made for that important event. The twenty-sixth of the month is Decoration Day, but this year it falls on Sunday, so the monument will be unveiled on the day previous.

A number of other matters were discussed, and among other things an application was read from Mrs. James Engesser for membership.

Miss Florence Walters read the minutes and last report of the late president, Mrs. S. Stringer.

After the business meeting refreshments were served by the hostess, assisted by Miss Annie Mathews, Mrs. John Taylor, Miss Minnie Hendon and Miss Ethel Haycraft.

AN ENJOYABLE PICNIC ON SILVER SPRINGS AND THE OKLAWAHA

Mr. and Mrs. W. H. Clark gave an all-day picnic Friday especially for Mrs. Horace Wood of Portsmouth, Va., who is the guest of Mr. and Mrs. E. C. Bennett. The others in the crowd were Mr. Bennett, little Miss Elizabeth Bennett, Miss Louise Harris, Mrs. Arthur Clark, Miss Dell Wilson, Mrs. C. H. Lloyd and Mr. Harvey Clark.

The crowd went down as far as Connor, and after a splendid dinner visited Mr. Pat Randall's orange grove, the trees of which are covered with exquisitely fragrant blossoms and rich yellow fruit. The stay in the grove was particularly pleasant, and was especially so to Mrs. Wood, who had never before seen an orange grove.

The trip up and down the river was lovely, the day an ideally pleasant one. Coming back Mr. Clark took his guests several miles up the Little Oklawaha in quest of alligators, their search being rewarded by the sight of one immense fellow. A number of fish were caught on the return trip, and the party reached home shortly after six o'clock.

SHOT AT A BURGLAR

About one o'clock Friday morning Mrs. Wood, who is on a visit to her brother, Mr. E. C. Bennett, was awakened by someone trying to enter her window. She ran into her brother's room, calling him to her rescue. Mr. Bennett grabbed his gun and fired through the window. The burglar yelled as though he had been hit, and Mr. Bennett pursued the man to the front gate, firing at him the second time, but the man, who was a negro, made his escape, but he got a good scare for his trouble.

A BIG CHECK

Yesterday a gentleman told us that he got a glimpse of a check held by Mr. William Hocker, which called for the payment of \$27,000. The check was given by Mr. J. M. Meffert, and was for the purchase of Mr. Hocker's and associates' interest in the lime business at Kendrick.

Checks of this size are not often seen floating around in Ocala, but the lime business is a big industry, as the size of this check indicates.

DEATH OF MISS SECKINGER

Miss Frances Seckinger died at her home at Martel Thursday afternoon, and was interred at Fellowship Saturday morning.

The deceased was a sister of Mr. J. H. Seckinger, and was a splendid young woman, and her friends are greatly grieved at losing her from their midst.

Dr. J. E. Chace went down to Tampa Monday afternoon to attend the Shriners' meeting.

MRS. MARY MEYER.

Mrs. MARY MEYER, Thomson Avenue, near Shell Road, Winfield, L. I., N. Y., writes:

"I have been annoyed with a cough for years. Often it was so bad that I could not sleep half the night. Many people thought I had consumption."

"A woman recommended Peruna to me two years ago. I began to take Peruna, and now I am perfectly free from a cough. I am glad to say that Peruna cured me entirely."

"I take Peruna occasionally, when I do not feel well, and I also give it to my children."

"Peruna is the best medicine for coughs and colds. I have told many people how much Peruna has helped me."

Mrs. Hettie Green, R. R. No. 6, Inka, Ill., writes as follows of the efficacy of Peruna:

"Last November I had catarrh and felt so miserable I thought that I would go into consumption."

"I tried so many doctors and medicines, but nothing did me any good, only Peruna."

"After I began the use of Peruna I began to improve in every way. My head did not hurt so much, my stomach is all right, my bowels are regular, my appetite good, my complexion clear, my eyes are bright and am gaining in flesh and strength."

"I think Peruna has no equal as a catarrh remedy."

Peruna tends to lessen the cough, decreases the expectoration, strengthens the patient, increases the appetite and in many cases procures sound, refreshing sleep.

MISS BEULAH B. BROOME.

Miss Beulah B. Broome, 409 12th St., N. E., Washington, D. C., writes:

"I have suffered from weak lungs and catarrhal troubles for four years, brought on by many neglected colds, but on the recommendation of a friend I gave Peruna an honest trial and I am pleased to state that it restored me to perfect health. There is not the slightest trace of catarrh in my system and my lungs are perfectly sound."

"I unhesitatingly give this testimonial."

Mrs. William Hohmann, 509 N. Paulina St., Chicago, Ill., writes:

"I suffered with catarrh of the bronchial tubes and had a terrible cough ever since a child. After a while it got so bad I had to cough both winter and summer. Finally, I burst a blood vessel in my throat from the strain of coughing, next a blood vessel in my stomach, so I kept getting worse and doctoring, and even then could get no relief. I thought, and everybody else, that I had consumption."

"Reading the papers about Peruna I decided to try it, without the least bit of hope that it would do me any good. But after taking three bottles I noticed a change. My appetite got better, so I kept on, never got discouraged."

"Finally I seemed not to cough so much, and the pains in my chest got better. I am well now. I cannot tell you how grateful I am, and I cannot thank Peruna enough. It has cured where doctors have failed. People who think they have consumption better give it a trial."

MISS JOSIE SCHAETZEL.

Miss Josie Schaezel, General Delivery, Appleton, Wisconsin, writes:

"I contracted a severe cold which settled on my lungs in very short order, and it was not long until it developed into a serious case of catarrh. Every morning I would raise a lot of phlegm, which was very disagreeable. My digestion was poor and my lungs sore."

"After a few doses of Peruna I began to mend, and felt that if I kept on taking it it would not be long until I was well. I was right, for in four weeks I was well again."

"I think Peruna is a grand medicine, and wish to add my testimony to the many others you have."

The fight against consumption is becoming a national problem.

Everywhere we hear of sanitariums established at the expense of the state for the treatment of the vast army of consumptives.

The open air treatment, fresh air and sunlight, are recognized by the medical profession generally as being the greatest necessities in the treatment of consumption in all its stages.

Dr. Hartman has for many years advocated the fresh air treatment for consumption. At the same time he has recognized Peruna as a useful palliative for the many distressing symptoms which accompany the white plague.

The promptness with which Peruna relieves a fresh cold, and even removes chronic colds, is well-known. This ranks Peruna as a reliable prophylactic against consumption.

THE PRESBYTERIAN SOCIAL

One of the very loveliest silver teas ever given by the ladies of the Presbyterian church was the one on Monday afternoon, when Mrs. George MacKay was the hostess. The attendance was particularly large and the groups of attractive women in their pretty summer gowns and hats made the social an especially pleasant one.

Assisting Mrs. MacKay in receiving the ladies was Mrs. H. L. Anderson and Mrs. Jean Austin, and Mrs. G. S. Scott asked them into the dining room, where very delicious refreshments were served in the very daintiest manner possible by Mrs. Mary Dodge Maddox and Miss Mamie Taylor.

Miss Shannie Daniel, of Lewisburg, W. Va., who is a guest at the home of her aunt, Mrs. W. H. Dodge, played very beautifully on the piano, as did also Mrs. John H. Taylor and Mrs. Martin J. Roess, their music greatly adding to this very pleasant silver tea. Mrs. MacKay is a pleasing hostess always and on Monday gave her guests a most enjoyable time.

OUR NEW ASSISTANT POSTMASTER

Mr. Ben Borden has been appointed assistant postmaster in this city, vice Mr. C. A. Thomas, resigned. Mr. Borden has been in the postoffice for several years and is thoroughly familiar with the business, and his selection as Mr. Cron's assistant will give hearty satisfaction to all and his friends congratulate him on his promotion.

Mr. Thomas and his family will make their future home in Bartow. Mr. Thomas has already been to that city to seek a location and came back to Ocala Saturday. He will return to Bartow in a few days, accompanied by his wife and daughter. Mr. Thomas will begin practicing as an oculist in his new home, and his Ocala friends wish him much success in his new home and in his new profession.

FLORIDA'S GIFTED SENATOR

Florida learns with relief that our young senator, W. J. Bryan, who was stricken with typhoid fever in Washington, is recovering rapidly. Just at this time a tedious illness must be particularly trying to the wide-awake, hustling young politician, whose campaign is now on, and who is also trying his maiden hand at government statesmanship. It is well that his wife is with him. She may be needed to hold in check his too eager recovery lest he take unwise exercise and so have a relapse.—Arcadia Champion.

Wonderful Ability

The friends of United States Senator W. J. Bryan will be rejoiced to know that he is recovering from an attack of typhoid fever with which he was stricken in Washington a few days ago, and the prospects are good for his early restoration to health. He has lost no time since he has been in the position to demonstrate his ability and the news of his illness caused uneasiness throughout the state.—Taylor County Herald.

Senator Bryan's illness of fever at this stage of the campaign is very regrettable. The sympathy of thousands will go out to the young and energetic man who is prisoned on a bed of sickness while the political fray in which he would have been such a towering figure is in progress. Here's hoping that soon he may "like a plumed knight," be able to ride at the head of his legion of supporters.—Lakeland News.

The popular subject of conversation among the men of Ocala nowadays is the elegant line of Oxford Ties in tan and patent leathers, which are being shown at the Marion Shoe Company.

Mr. Mitchell Horne and family have moved from York back to their old home in Georgia.

LOOKS LIKE ADVERTISING

We do not believe Mr. E. W. Irvine of Lake City advanced his candidacy for the office of railroad commissioner by what was construed by many as a play to the galleries. Mr. Irvine boarded an A. C. L. train at Plant City a few days ago, and because he could not find a seat refused to pay his fare, insisting that the law is explicit as to a passenger not being liable for a fare unless a seat is provided. After an argument with the conductor, he paid his fare and took a receipt, declaring the would carry the matter into court.

While Mr. Irvine may have been right technically, the conditions at the time were unusual, the throngs going to the fair making it very difficult for the railroad to provide sufficient accommodations to prevent some discomfort, though every train carried extra coaches, and an effort apparently was made to handle the crowds properly.

Justly or unjustly, Mr. Irvine's "scene" will be taken by many as merely a bluff to advertise his candidacy. Common sense and reason should govern, even in dealings with railroads.—Lakeland News.
